## BARTER OF ETHNICITY, LANGUAGE AND LEARNING

SKIS trust to be the leading, culturally diverse and family-oriented international school strive to keep comparable between root culture and overseas culture. It inspires individuals to develop their intellect, creativity and character to become independent, adaptable, socially responsible and internationally minded citizens, by ensuring a dynamic, inquiry-driven education of the highest standard. This thoughts tremendously accomplished on dt. 14th of February, 2018 with the visiting of delegates from South Korea along with the Member of Parliament Dr. Prassana Patasani and many other representative. The key aim of the visits to echoes and swap over of the values, tradition and

**"The essence of intercultural education is the acquisition of empathy-the ability to see the world as others see it, and to allow for the possibility that others may see something we have failed to see, or may see it more accurately. The simple purpose of the exchange program...is to erode the culturally rooted mistrust that sets nations against one another. The exchange program is not a panacea but an avenue of hope."**

learning prospects that carried by the teachers and students of Shree Krishna International School. The schedule visit was prosperous by

the enthralling ideas of our esteemed Chairman of the school Pabitra Routray. He discusses the brighter effects of the teaching and learn-

ing fraternity of both the country will be recipient in all possible way. At the same raised area delegates from South Korea enchant with the

custom, the values that reflects in our school ambience and proposed to be a part of Shree Krishna International School for wisdom and knowledge. The initiation was highly appreciable by our respected Principal Dr. Swarupa Nanda Mishra. The programme was greatly successful with the touch of cultural events presented by our dear students and appreciable coordination of our teachers and members. The gathering was ended with a positive sign of congenial benefitted exchange of both states of learning and thanks given by the Vice Principal Kabindra Dash. "If art is to nourish the roots of our culture, society must set the artist free to follow his vision wherever it takes him."

## From Principal's Desk

"Success comes to those who work hard and stays with those, who don't rest on the laurels of the past."

We live today in a world that is so very different from the one we grew up in, the one we were educated in. The world today is changing at such an accelerated rate and we as educators need to pause and reflect on this entire system of Education. Are our schools well equipped to prepare our children to face the challenges that the future holds? Questions such as these are factors that motivate us to go through a continuous process of reflection and hence we at SKIS work at implementing a well balanced curriculum to ensure that the children who walk into the portals of our School will not just love their school years but truly be prepared to face life's challenges. It was Margaret Mead who said "Children must

be taught how to think, not what to think," and to enable this, our motto of Knowledge, Imagination and Innovation is encouraged through a holistic approach. "TO MOTIVATE THE WEAK, TO ADDRESS THE AVERAGE AND CHALLENGE THE GIFTED" is the teaching vision of our school. Each issue of our school magazine is a milestone that marks our growth, unfolds our imaginations, and gives life to our thoughts and aspirations. It unleashes a wide spectrum of creative skills ranging from writing to editing and even in designing the magazine. I congratulate the entire editorial team for their hard work and dedication in making this dream come true. A committed and supportive management, dedicated teachers, caring and co-operative parents and all Support Staff of SKIS blend harmoniously to create a child-centric school. It is natural to find in this ambience, the intensive use of a variety of thinking activities, strategies and group dynamics so that the classrooms become alive. Teamwork is the hallmark of SKIS. I am very sure through collaborative effort we can achieve more to benefit our students who are the future leaders of tomorrow.

God Bless You All

"A PEOPLE'S RELATIONSHIP TO THEIR HERITAGE IS THE SAME AS THE RELATIONSHIP OF A CHILD TO ITS MOTHER."

## EXPLORING SERENE OF KRISHNA CRAFT VILLAGE

Heritage cannot be experienced in the isolation of classroom. That is why Krishna Craft village was designed as an experimental journey, one where students could experience glimpse of craft and heritage throughout their teaching learning process. The proposed site was intended to vision the heritage, viewing the minute details, intricate of work and tasting our culinary work. The vision of our Chairman, Principal and Faculty Member to elevate the vibes of the learning process through the contemporary education system with the touch of grass root acknowledgement of

crafts and heritage. The Panchasakha at the entrance of the school, showcase the rooted visionary writer of Odia Literature who renowned the state Odisha with their literary work. The statute of Lord Buddha sanctified the school surrounding with tranquillity, calm and compose atmosphere for teaching leaning as well

as working condition. "The gateways to wisdom and learning are always open, and more and more I am choosing to walk through them. Barriers, blocks, obstacles, and problems are personal teachers giving me the opportunity to move out of the past and into the Totality of Possibilities."

## GANDHI JAYANTI CELEBRATION

"Peace is the most powerful weapon of mankind. It takes more courage to take a blow than to give one."

**Mahatma Gandhi.** Gandhi Jayanthi was celebrated on 2nd October 2018, at SHREE KRISHNA INTERNATIONAL SCHOOL open ground. The programme began with a prayer song. A devotional ambience prevailed as the programme started with a meaningful prayer service in the form of 'Sarva Dharma Prarthana'. As Gandhiji said "The need of the moment is not one religion but mutual respect and tolerance of different religions." It was proved by SKISE reading a verse told by Mahatma Gandhi. The students expresses their views out and shows dedication to the work of Bapu. Dr Swarupa Nanda Mishra, Principal, welcomed

the gathering.. The significance of the day was given by students followed by a song "Raghupathi Raghava Rajaram" dedicated to Gandhiji by the school choir. To uphold the value of non violence, students of class IX and X performed a fascinating dance on peace. The Chairman Pabitra Routray in his address upheld the values of Gandhiji and highlighted the sacrifice he made for the country. The reflection on Gandhiji and his values on peace were given by teachers.

DRAWING COMPETITION WINNER

E - SWACHHATA AWARD

I was 'actually on cloud shine, when I got the intimation of getting the prestigious Best all rounder Award from the school. For this accomplishment, I would like to give full credit to the school's teacher's holistic environment, equipped with brilliant teachers and amicable authorities; and yes, some credits also go to my parents and the almighty. Firstly, I never expected to win this, since there where the students, who were ever better than me as an all rounder; well hard work and slogging, are the only talents leading to success. But there is a message to all my Shree Krishnians, success may be the most pivoting part of someone's life, but more than that the acquirement of the skill and knowledge count more. I have seen many fellow students of mine brilliant ones infect, who might not have succeeded as per their expectations, may be for their desire to succeed over wheel med the desire to acquire knowledge. On this I would say – "Aim at high things, but not presumptuously. Always Endeavour to succeed, but not except to succeed". We must remember that a workaholic survives only in today's world, with élan. For that there's no short cut. There is simply no short cut to happiness.

# SUMMER NIGHT

The hot and irritating are the days In the season of summer, Because of the powerful rays Coming out from the sun, which is in anger. After the day passes and comes the night I take permission from my mother, To go to the roof top and enjoy the sight And the pleasant weather. Then I go up and breathe the fresh air, And enjoy the smooth breeze, Which moves my hair And makes my body freeze. The dark trees move with the flow And it refreshes my mind Then I think time should be slow and slow So that I could enjoy the nature of this kind. Then I lie down and look at the dark sky, The dark clouds, the moon and the twinkling stars Then my tension and anxiety fly And I think how far the stars are! Then I thank to God Who created this beauty of nature. I would like to be lost in this nature, lord Without any worries, only getting pleasure Then I get lost in my deep thoughts And my mother calls me down I thank the nature that brought Happiness in my life and come down.

# A TRIP TO PLANETORIUM

The SKISE arranged an annual field trip to Pathani Samanta Planetarium on 17th November, 2018, in order to enlighten the students on concepts related to the solar system. At the planetarium, the resource person informed the children of the latest developments in the field of astrophysics and India's contribution to the same. The students were also shown the movie "Our Universe" which showcased the arrangement of planets, position of stars and other interesting facts about the galaxy. The trip proved to be

an enjoyable learning experience for the students. They first saw a video about the diversity and depth of Indian culture.

This helped them to appreciate our varied culture and respect other religions too. At the Planetarium they watched a video about the

movement of each planet in the Milky way. Information about each planet was given in detail with the aid of 3D images. At the Sky

Theatre they saw the constellations, other galaxies, stars and the Milky way along with the birth and death of a star. Our children were fascinated with this show. At the Nehru Centre they walked through the 'Discovery of India', which starts from the evolution of the Stone Age man upto India's freedom struggle including Nehru's dream for a Progressive India. The beautiful lying crafted 3-D images and scenes helped our children to better understand these important events in our History.
